Photo taken: the "Heart Gallery" Exhibit at the Hart Memorial Central Library

The Heart Gallery Exhibit

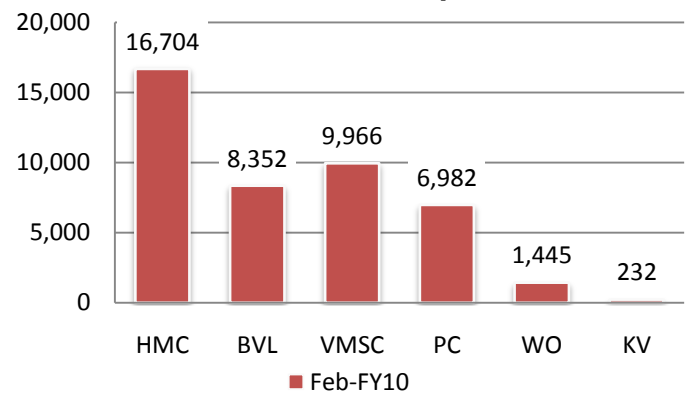

The Heart Gallery of Metro Orlando is an innovative gallery-style photo exhibit that features some of the foster children available for adoption in central Florida. This touching traveling exhibit raises awareness of the critical need for more foster and adoptive parents. It displays each child with a large artistic portrait and includes information about each child's needs and interests.

The exhibit ran throughout the entire month of February.
