Thanksgiving
Activity pack for November 21, 2022

Thankful Wheel

Supplies: Brass fastener, paper plate, circle template, markers or colored pencils, scissors

1. Cut out the circle template, and then cut out the triangle slice on the template.
2. Design template however you’d like (i.e. thankful wheel, or I am thankful for).
3. Put the template on top of plate and poke a hole through the centers.
4. Insert brass fastener into the hole.
5. Write things you’re thankful for in the window of your thankful wheel!
We’re thankful for good books!
